

RENOLIT
Film Service

The repair
specialists

Window repairs the easy way –
with RENOLIT EXOFOL MR, RENOLIT
EXOFOL PR, RENOLIT EXOFOL FR
and RENOLIT EXOFOL PFR.

Rely on it.

Become a repair pro with training from the film experts.

The RENOLIT Film Service offers swift solutions for all types of damage to film-coated profiles – from damage caused in transit, through incorrect cleaning or handling, to the consequences of a burglary. The hotline on +49.6241.303.1413 provides a fast and simple means of contacting the RENOLIT Film Service.

Or become a repair pro yourself

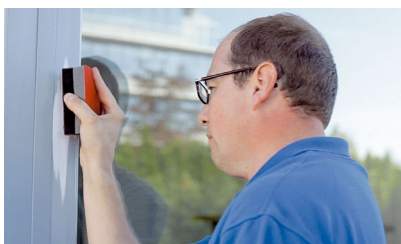

The professional and inexpensive training programme offered by the RENOLIT Film Service provides you and your employees with the necessary expertise to repair all types of film damage, in 6 easy steps. The programme familiarises you with the required tools, the RENOLIT repair films and the appropriate procedures. As an authorised film repair specialist you can then order our repair film and carry out repairs yourself.

Get the know-how: 6 steps to a successful repair

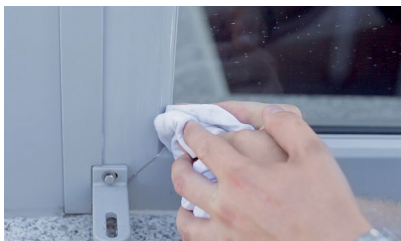

After completing a **RENOLIT** training programme you will be able to repair a film-coated profile almost as quickly as it was damaged.

1. Matching the films

2. Preparation

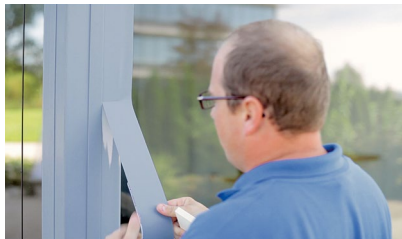

3. Cleaning and drying

4. Cutting to size

*Perfect
repairs -
learn the tricks
of the trade!*

5. Application

6. Trimming the edges

Film repairs the easy way: The training by RENOLIT experts will quickly turn you into a repair specialist.
