

Exterior films
to size.

Customised solutions are standard.
The Slitting Service from RENOLIT.

Rely on it.

Small quantities, great selection.

As of now with the slitting service from RENOLIT you may purchase films in small quantities directly from us. Therefore there are cut rolls of the films RENOLIT EXOFOL MX, RENOLIT EXOFOL PX, RENOLIT EXOFOL FX and RENOLIT EXOFOL PFX available. Additionally, individual cuts are possible depending on your requirements.

Films are cut to size individually from a wide offer as needed.

Dimensions and delivery.

Our film rolls have a minimum width of 30 mm, which you can increase up to 450 mm at present. The minimum amount is 200 metres. You will receive the film rolls as soon as possible and individually wrapped. For requests and orders please contact the RENOLIT Film Service:
